

ROCHESTER CRYOBANK

10/19/07	Email to Wendy Kramer
I have had a wonderful experience with Rochester Cryobank. They have been upfront & honest and wonderful to deal with.

I used Rochester Cryobank with a wonderful experience. They are a non identity release facility (which I knew at the time) but Dr. Rita Herko has been forthcoming & helpful without releasing any identifiable information. I just wanted people to know that all cryobanks are not bad.
